

vProp™

An Indispensable Tool for the Operations Side of Your Business!

Designed for hotel ownership and management companies with both single and mixed brand portfolios, vProp™ provides your corporate operations staff with a powerful, easy-to-use mobile property inspection application that covers all your concerns – from equipment certifications to rooms to exterior repair issues. vProp™ focuses on your business, so you can focus on hospitality.

Features

- Simplifies and condenses *all* aspects of periodic property inspections
- Addresses brand standards across your property portfolio
- Automates your current forms in a single, easy-to-use application
- Captures images of areas that need attention and items to be repaired
- Easy to implement and easy to use

The vProp™ mobile solution includes a fully customizable, cloud-based reports module that delivers useful information immediately:

- Key Indicators and Trend Analysis
- At-a-Glance Summary of Your Properties
- Detailed Reports for Performance Tracking
- Archiving of Past Inspections for Comparison/Review
- Share Property Inspections Immediately with Operations and General Managers

vProp™

Manage Multiple Properties
Efficiently and Effortlessly
with Customized Mobile Apps
and Real-Time Reports

vProp™ provides a panoramic view of your corporate property inspections through a sequence of automated forms, image captures, and manual or voice-activated note entry accessed through a mobile device.

Paired with VSi's powerful property based mobile applications – vInspect™, vRepair™, and vMOD™ – vProp™ delivers to your fingertips all the information ownership expects and management requires.
